

HUMAN MILK BANKING SYMPOSIUM EXHIBITOR OPPORTUNITIES

April 21 - 22, 2023

Engage with over 100 attendees directly involved in nonprofit human milk banking in a small setting, designed for real conversations. Support HMBANA's 2022 Symposium. Convened in Columbus, OH at the Columbus Airport Marriott, the symposium brings together staff and board members from our 31 member milk banks.

Staff come to discuss milk bank operations and ways to improve best practices throughout the field. As such, exhibiting provides an excellent opportunity for reaching out and making your product known throughout our community. Don't miss this unique opportunity to talk one-on-one with decision makers and influencers in the milk banking industry!
