

SHARE YOUR BEST
HMBANA
HACKS

**Create 1-2
Powerpoint slides
detailing your 1-2 of
your favorite hacks**

**We can learn
from each other!**

- HACKS can be:**
- a product you can't live without**
 - a new way of doing something**
 - something you invented**
 - something that makes milk banking easier**

Include key details and contact information
Send your slides to
lesley@nwmmmb.org by April 14th

HACK HOW TO:

- Please use Powerpoint in a standard format
- Include your logo, how this helps or what you love about it, and who to contact
- No hacks to share? Send a slide with your logo and a picture of your team - cute babies work too!
- Send slides to lesley@nwmmb.org by April 14th

HMBANA HACK EXAMPLE

Watching multiple pasteurizers made easy!

We display our data logger information on a large screen for easy viewing during pasteurization.

We can react to water bath temps and milk temps quickly.

We also use the screen to share information with our processing staff.

northwest
MOTHERS MILK BANK
